

East Creek Community Centre Statements

OUR MISSION

To foster community involvement
within a supportive environment which
encourages personal and social development

OUR VALUES

Non-Judgement:

We strive to provide a friendly place in the community where people feel welcome.

Effectiveness:

We use our resources to provide low/no cost services to existing and potential customers.

Respect:

We value and respect to with whom we work and those who access our service.

Quality:

We strive to continually improve a service that best helps consumers to meet their own needs.

Support:

We support people in the community to best meet their own needs.

Flexibility:

We provide a flexible service based on identified needs.

OUR VISION

To be recognised as a service that expands its focus to meet
the changing needs of the community.
